

JOHN M. LICHTER, M.S.
CONSULTING ARBORIST

213 Creekside Way, Winters, CA 95694
e-mail: john@treeassociates.net

Phone 530.795.1517

EDUCATION:

- Master of Science. Horticulture, University of California, Davis, 1990.
Thesis: "New Methods for Mistletoe Control/The Biology of Young Mistletoe Plants."
- Bachelor of Science. Plant Science, University of California, Davis, 1988.

REGISTRATION/CERTIFICATIONS:

- Registered Consulting Arborist #375, American Society of Consulting Arborists (ASCA)
- Board Certified Master Arborist #863b, International Society of Arboriculture (ISA)
- Certified Arborist #863, International Society of Arboriculture

PROFESSIONAL MEMBERSHIPS/BOARD TENURE/COMMITTEES:

- Board Member, Amer. Society of Consulting Arborists (2000 - 2006)
- Member, International Society of Arboriculture
- Former Chair, Western Chapter ISA Research Committee
- Former Board Member and Technical Advisory Committee Member, Tree Davis
- Former Commissioner, City of Davis Street Tree Commission
- Former Member, Technical Advisory Committee, Sacramento Tree Foundation

PROFESSIONAL EXPERIENCE:

- 1993 to present OWNER/CONSULTING ARBORIST
Tree Associates, Winters, CA

Tree Associates provides Arboricultural Consulting Services to a diverse clientele including Landscape Architects, Developers, Municipalities, Attorneys, Insurance Companies, Individuals and others. Professional services include tree evaluation, risk assessment and preservation programs, tree appraisals and horticultural soil analysis.

- 1999, 2002, 2009 INSTRUCTOR
Environmental Horticulture Department, U.C. Davis, Davis, CA

Taught upper division Arboriculture class and laboratory. Subjects included: tree structure and function, site evaluation, soil and water analysis, soil modification, species selection, planting, pruning, nutrient and water management, diagnosing tree problems, tree preservation and mature tree care.

- 1993-1994 RESEARCH ASSOCIATE
Environmental Horticulture Department, U.C. Davis, Davis, CA

Worked with U.C. Cooperative Extension Landscape Specialist. Managed arboricultural research and extension program.

- 1992-1993 RESEARCH HORTICULTURIST
U.S. Forest Service,
Center for Urban Forest Research and Education, Davis, CA

Managed arboricultural research and extension program.

- 1992-1993 ARBORIST
Roger Poulson Tree Services, Citrus Heights, CA

Provided tree care services including tree evaluation, problem diagnosis and pruning.

- 1991-1992 URBAN HORTICULTURIST
U.C. Cooperative Extension, Sacramento County, Sacramento, CA

Created and implemented arboricultural research projects, managed master gardener program with 150 members. Organized and conducted seminars, created articles and newsletter and provided consulting services for landscape professionals.

PROFESSIONAL EXPERIENCE (continued):

- 1990-1991 COMMUNITY FORESTER
Sacramento Tree Foundation, Sacramento, CA

Organized community tree plantings, developed educational materials, provided consultation and demonstration regarding tree species, planting site selection, and site preparation to homeowners and public entities.

- 1990 HORTICULTURIST
HortScience, Inc., Pleasanton, CA

Worked with Consulting Arborist Nelda Matheny conducting tree evaluations and assisting with tree preservation activities.

SELECTED PRESENTATIONS:

- "Locating Roots Using Ground Penetrating Radar: A Progress Report."
California Tree Failure Report Program Annual Meeting. Filoli, California, January, 2009.
- "Preserving Our Native Oaks" Critical Issues for Park Managers."
Tree Canopy Safety and Retention Workshop. Sacramento, California, November, 2008
- "Case Studies from a Consulting Arborist, Tree Preservation During Development."
Guest Lecturer, U.C. Davis, Arboriculture Course (1998, 2000-2001, 2003-2008)
- "Soil Factors and Root Growth—Lessons from Case Studies/a Peek at Ground Penetrating Radar."
Western Chapter ISA and California Arborists Association Meeting. San Francisco, April, 2007.
- "Utilizing Science to Guide Oak Management."
Oak Symposium. Santa Rosa, California, October, 2006.
- "Principles, Approach and Procedures for Tree Problem Diagnosis – A Practical Approach." University of California
Master Gardener Meeting. Sacramento, CA May, 2006.
- "A Discussion Concerning Pruning to Reduce the Likelihood of Limb Failure."
California Tree Failure Report Program Annual Meeting. Filoli, CA, January, 2006, Descanso Gardens, May, 2006.
- "Tree Radar Unit Demonstration."
Western Chapter ISA Annual Meeting, Phoenix, Arizona, May, 2005.
- "Diagnosis and Treatment of Health and Structural Disorders in Oaks: A Field Demonstration, Discussion and
Hands-on Workshop for Horticultural Professionals" (eight week course). University Arboretum, U.C. Davis.
Spring, 2005.
- "An Introduction to Tree Risk Assessment."
Sacramento Valley Landscape Nursery Exposition, Sacramento, CA, January, 2005.
- "Yolo County Master Gardener Landscape Tree Training."
Yolo County Master Gardeners, Woodland, CA, 2002, 2003, 2004.
- "Trees Below Ground—Assessment of Tree Roots and Their Environment."
California Arborists Association, Inc. Meeting, Live Oak, CA, December 2004.
- "Common Soil Problems in the Sacramento Valley: A Training Program for Sacramento Tree Foundation
Community Foresters."
Sacramento Tree Foundation, September, 2004.
